ELSEVIER 360 for Nursing

The only comprehensive program solution of its kind, Elsevier 360 supports your students' nursing school journey from day one all the way to the NCLEX®. It provides **everything you need to ensure student success through each stage of the learning cycle** as they build knowledge, develop clinical judgment, and assess content mastery.

Elsevier 360 offers:

Quality

Elsevier's authoritative, reliable, and up-to-date content is second to none and reflects the latest advances in nursing education and practice, as well as the most recent NCLEX® test plan, so you can be sure your students are learning from the most current and relevant information available.

Consistency

Enjoy the convenience of getting all your course materials from one trusted provider, enabling you to simplify implementation and fulfillment while offering a streamlined experience with consistent content, objectives, and technology that all work together to elevate your program.

Insights

Monitor student performance and program health at any point in the curriculum with innovative, interconnected solutions that deliver actionable data so you can accurately assess students' engagement level, areas of strength and weakness, and NCLEX® and patient readiness.

Support

Elsevier 360 includes access to premium services at no additional charge, giving you unparalleled curricular support and expert consultation every step of the way to help you optimize program effectiveness and student outcomes.

Build Knowledge

Cultivate knowledge development throughout your curriculum with Elsevier's market-leading content and engaging digital learning tools. We offer everything needed to help students fully absorb the key concepts that form the foundation for their success.

Sherpath Vantage

Sherpath with Elsevier Adaptive Quizzing

Osmosis® Videos within Sherpath

Sherpath AI within Sherpath

Textbooks — Print and eBooks

Study Guides

Evolve Resources

Sherpath® Vantage

Everything you need to deliver a highly effective, interactive course experience — **all on a single platform**

Sherpath Vantage includes:

Elsevier eBook

Comprehensive digital lessons

Assignment data and performance analytics

Elsevier Adaptive Quizzing (EAQ)

Sherpath AI

Osmosis videos for select collections

Shadow Health Digital Clinical Experiences

Enhanced test banks powered by Elsevier's Assessment Builder for select collections

Apply Clinical Judgment

Provide a wide range of content-based clinical scenarios that allow students to immerse themselves in realistic patient interactions. Our safe, learning-based environments are ideal for honing their clinical judgment and therapeutic communication skills.

Sherpath Vantage

Shadow Health Digital Clinical Experiences

Course-Based SimChart®

SimChart for Nursing

Simulation Learning System for RN with Virtual Reality

Clinical Skills

Shadow Health benefits:

- Features 80+ lifelike, diverse patients
- Students use their own words to communicate
- Patients can answer millions of unique questions
- Accurately measures student clinical reasoning
- Provides instructor insights in a Practice Readiness Dashboard
- Builds clinical judgment skills
- Aligned with AACN's new *Essentials* (2021)

Shadow Health®

DIGITAL CLINICAL EXPERIENCES™

Put the patient at the forefront of the learning experience with high-fidelity, screen-based simulations.

Assess & Review

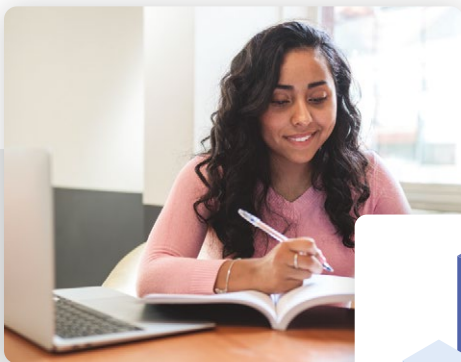

From day one to the NCLEX[®], monitor student progress at key points in your program with review and assessment tools that help them gain the skills and confidence they need for exam and career success.

- HESI RN Specialty Exams
- HESI RN Exit Exam
- HESI RN Live/Virtual Review
- HESI Compass

- HESI Readiness for NCLEX[®] Dashboard
- Review and testing titles by leading experts
- Elsevier Adaptive Quizzing for the NCLEX-RN[®] Exam
- Elsevier's Assessment Builder

HESI[®]

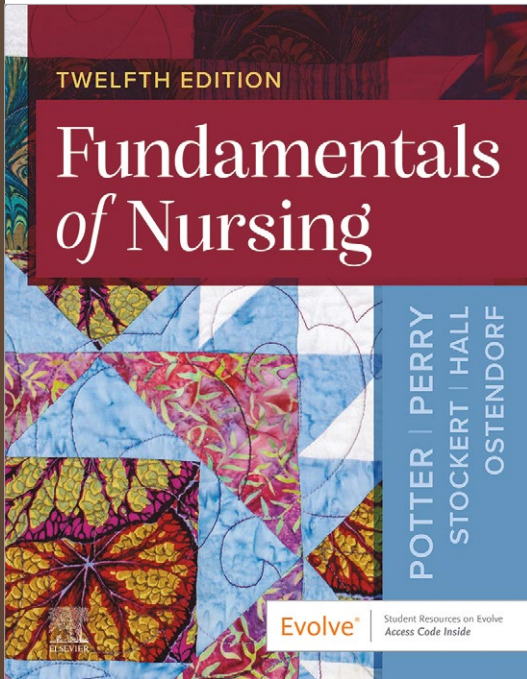

REVIEW AND TESTING

Our valid and reliable HESI assessment and preparation products work together seamlessly to provide the detailed diagnostic data you need to enhance and strengthen your students' NCLEX[®] readiness, your curriculum design, and your program outcomes.

With real-time, at-a-glance dashboards, you'll have access to:

- **Dedicated Next Generation NCLEX[®] (NGN) reporting** that highlights performance on nursing content area, NGN item type, and associated clinical judgment skills
- Comprehensive synopses of **individual student exam performance**
- Institutional data on **student, aggregate, and national comparison data**
- Data regarding key **nursing themes and topics** to consider adding, updating, or removing as you revise your curriculum
- Pertinent data for your next **accreditation visit**

NEW EDITION!

March 2025 • ISBN: 978-0-443-12406-8

Also available as an ebook

Give students a solid foundation in nursing concepts and skills

- **NEW!** More than 75 new photos and images present updated skills and represent the diversity of nurses and patients throughout.
- **UPDATED!** Content reflects the latest evidence-based practice, including the most current information on infection control standards, oxygenation, care-giver fatigue, community care, and more.
- **UNIQUE!** Critical thinking coverage incorporates the unique critical thinking/clinical judgment model — visually depicted by a series of progressive images that demonstrate the application of the nursing process, critical thinking, and clinical judgment — and how they all tie together.

Included with the text...

EDUCATOR RESOURCES ON EVOLVE

- TEACH for Nurses
- PowerPoint® slides
- Test bank
- And more!

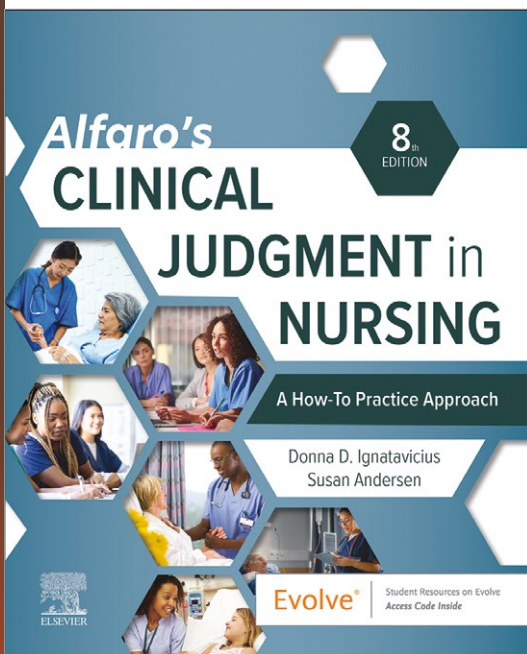

STUDENT RESOURCES ON EVOLVE

- Case studies
- Concept map creator
- *Body Spectrum* electronic anatomy coloring book
- And more!

Complete your course with...

- Sherpath Vantage
- Clinical Companion
- Study Guide
- Clinical Skills: Essentials Collection

NEW EDITION!

November 2024 • ISBN: 978-0-323-93625-5

Also available as an ebook

Equip students with the clinical judgment skills they need to ensure safe, effective client care

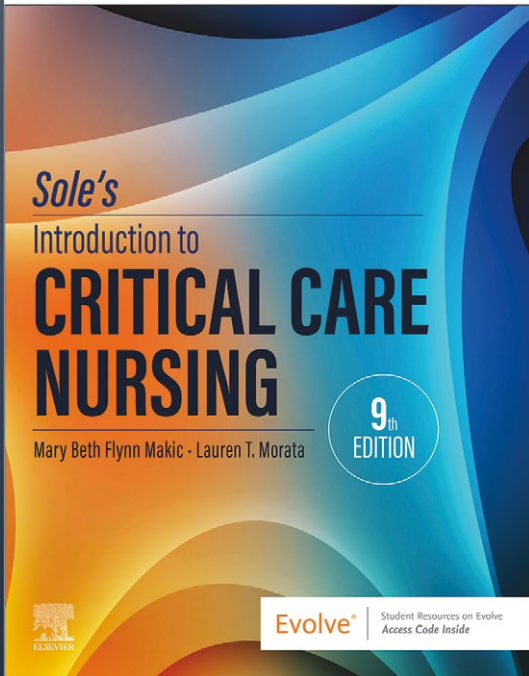

- **UPDATED!** Restructured coverage reflects the latest research and trends related to the multiple types of thinking needed to make safe, evidence-based clinical judgments.
- **Thinking Exercises** throughout each chapter, and again at the end of each chapter, enable students to apply clear examples of clinical judgment cognitive skills that measure the ability to recognize cues, analyze cues, prioritize hypotheses, generate solutions, take actions, and evaluate outcomes.
- **UPDATED!** Next Generation NCLEX® (NGN) thinking exercises prepare students for the significant changes to the exam.

Included with the text...

EDUCATOR AND STUDENT RESOURCES ON EVOLVE

- NGN-style practice test items, including five unfolding case studies and 10 standalone items

NEW EDITION!

September 2024 • ISBN: 978-0-443-11036-8

Also available as an ebook

Help students master critical care nursing concepts, technology, and skills

- **NEW! Content on the implications of the global COVID-19 pandemic for critical care nursing** includes new content on *proning* as a standard critical care procedure and expanded coverage of nursing self-care.
- **NEW! Expanded tools for the Next-Generation NCLEX® (NGN) Exam** includes more coverage of the six cognitive skills of NCSBN's *Clinical Judgment Measurement Model*.
- **NEW! Integration of the 2021 AACN Essentials** features special emphasis on clinical judgment and diversity, equity, and inclusion, including the use of non-gendered language and illustrations with enhanced diversity.

Included with the text...

EDUCATOR RESOURCES ON EVOLVE

- TEACH for Nurses lesson plans
- 700 PowerPoint® slides
- Test bank with 800 items
- Next-Generation NCLEX® (NGN) Exam-style case studies

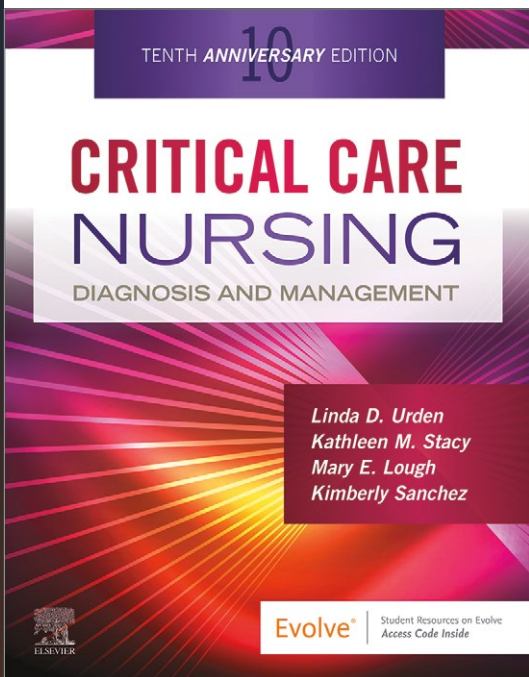

STUDENT RESOURCES ON EVOLVE

- Animations and video clips
- Next-Generation NCLEX® (NGN) Exam-style case studies
- *Clinical Skills* procedures
- Mastery questions

Complete your course with...

- Sherpath Vantage

NEW EDITION!

February 2025 • ISBN: 978-0-443-11581-3

Also available as an ebook

Equip your students for success in today's progressive and critical care settings

- **Winner of the silver American Journal of Nursing Book of the Year award** in emergency/critical care nursing in its 9th edition!
- **Time-tested, high-quality content** addresses all aspects of today's progressive and critical care nursing practice.
- **Consistent organization within each body system unit** provides an efficient framework for learning, for CCRN® and PCCN® certification preparation, and for reference in clinical practice.

Included with the text...
