**THE ELEVENTH JUDICIAL CIRCUIT OF FLORIDA
CRS-RFP #2024-01
SPECIFICATIONS**

1. BACKGROUND

The term “court reporting” has a common meaning for most people. “Court reporters” are commonly understood to be those operators of digital or stenographic equipment that are responsible for capturing the official record of court proceeding. Technological advances have led to a multitude of differing methods and systems to capture the record. Florida Rule of General Practice and Judicial Administration 2.535 generally covers the subject of Court Reporting. Specifically, Rule 2.535(h)(3) requires the Chief Judge of each judicial circuit to develop an administrative plan for the provision of court reporting services provided at public expense. The Chief Judge is also responsible for ensuring that the record of court proceedings and testimony is properly taken and preserved. The funding of court reporting services is a State of Florida obligation.

2. PURPOSE

The purpose of this RFP is to solicit proposals in accordance with established purchasing procedures in a competitive process for the acquisition of court reporting services, funded at public expense, for court proceedings in the Eleventh Judicial Circuit of Florida in and for Miami-Dade County (“Court”), effective July 1, 2024.

The provisions in the Cancellation/Termination section of the contract will not serve as a limitation on the Court's right to remedies at law or in equity. Contractor and the Court will agree that each requirement, duty, and obligation set forth in the contract that is substantial and important to the formation of the contract is a material term thereof.
